MEET YOUR MENTOR

- A passionate educator on a mission to transform careers through focused mentorship
- Expert in Data Structures, Algorithms, and System Design, empowering thousands to secure roles in top product-based companies.
- Dedicated to helping you turn your career aspirations into reality.
- Proven track record of guiding learners to achieve remarkable success.
- Strong believer in "Learning by Doing", offering personalized mentorship and interactive LIVE sessions to make concepts stick.
- Together, we'll take the journey to your dream career.

Surya Pratap Kahar
Founder: Techdose
Ex- Google

& MANY MORE...

INTERVIEW DOSE

(DATA STRUCTURES & ALGORITHMS)

- Time & Space Complexity
- Online Assessment problem solving hacks
- Algorithms identification for a new problem
- Maths for interviews
- Bit Manipulation & Masking problems & techniques.
- Sorting algorithms with implementation & real life use cases.
- Binary search for Beginner to intermediate
- Advance Binary search covering all patterns
- Array & associated algorithms
- Stack & Monotonic stack with associated patterns and Implementations
- Hashmap internals & Implementation

- Hashmap internals & Implementation
- Heap Implementation & Patterns with multiple heaps
- String Algorithms and associated patterns
- Recursion (Basic to Advance)
- Greedy algorithms with Knapsack, Scheduling, Encoding, Migration and related algorithms
- TRIE and implementations with Suffix and Prefix matchers and implementation with Bit Manipulation
- Segment Tree Implementation & solving all patterns of problems with universal code
- Tree, Filesystems, Binary Lifting, Construction, AVL trees, RBT, Traversals etc implementation discussions and real life use cases.
- Dynamic Programming covering all interview patterns (Basic to Advance)
- Graph from Basic to Advance
- Geometric Algorithms (1D & 2D) for advance interviews

COURSE GUARANTEES

- Guaranteed one stop solution to your Data Structures & Algorithms preparation.
- Guaranteed interview result in minimum time
- Guaranteed interview preparation in 3 months
- Course designed to cover all interview topics
- Solve less and learn more with our optimized assignment problems
- Small batch with focussed learning

COURSE FAQS

- Mentor: Surya Pratap Kahar (Ex- Google & Educator at Techdose)
- LIVE classes (with guaranteed doubt clearing)
- Recorded lectures are made available in case you miss LIVE session
- Validity of videos: 1 year
- TIMING: 8 PM IST, Sat, Sun (7:30 AM PST for US)
- Registration process: Pay and share transaction receipt
- Payment Mode: UPI / Netbanking / Remitly / Xoom / Wise

NOTE: Always pay by discussing on our Whatsapp +91 8918633037. BEWARE of scammers.

SPECIAL OFFER

~~₹40,000/-~~
